"... and then those dear little old ladies in there said to me, they said..." But Terry Kearney's words seem to be having little effect on staid Steve Dearsley, flowers in hand for "the lovely ladies." Reporter Murray Feldstein, however, is intent on getting a story, and thus unconcerned by the nosiness of John McLaughlin.

Curtain Club's "The Girls in 509" Scheduled Friday and Saturday

The Curtain Club will present "The Girls in 509," a comedy by Howard Teichmann, the evening of May 11 and 12 in the T-G Gym. Curtain time will be 8:15 both evenings.

The play is a light comedy concerning two staunch Republican women who, disillusioned by the election of Franklin D. Roosevelt in 1932, go into seclusion in room 509 of an out-of-the-way hotel in New York City, waiting for the return to power of the "glorious Republican party." Sandy Holl and Cathy Gazonas portray Aunt Hettie and Mimsy, respectively.

In the hopes of getting a "hot story," a professor turned journalist hunts them out. Professor Pusey (played by John Piston) is aided in his plans by Old Jim, frustrated actor turned bellboy, thanks to unsuccessful career. John McLaughlin assumes the role of stealthmate.

To further complicate mat-

ters, reporters from the New York papers arrive, after getting a hot tip. Murray Feldstein, Bob Hohn, Bob Fernandez and Terry Farley play hardened reporters after a story. Steve Dearsley, Judy Armstrong and Terry Kearney also pop in and out of room 509 when interest grows in the recluses.

(Continued on page 2)

"Look out for that Zebra Trap!" Director Jim Ryan warns his charges, but Kathy Gazonas seems to have other things on her mind. Sandy Holl is concerned with Mimsy's behavior, as is, no doubt, professor turned journalist John Piston, the object of her affections.

Fraser & Dingman Selected Head Soph Rulers to Enliven '62 Frosh Customs Program

"Now you listen here!" Nancy Fraser warns Carlton Dingman (or is it the other way 'round?) Makes no difference anyway, for these newly-elected Head Soph Rulers are only out to have some good clean fun next year at the expense of those naive frosh.

Plans for next year's Customs Program for incoming freshmen are already underway. The Women's Customs Committee was recently selected by the members of the freshman class. These women were chosen from a list of candidates selected by the 1964 committee and from nominations from the floor. Several class representatives to the WSGA and the WSGA secretary are also on the committee.

Nancy Fraser, a math major from Glenolden, was chosen "Head Soph Ruler". She will be aided by other elected members Jeanne Dawson, Kathy Dolman, Karen Kohn, Judy Smiley and Barbara Williams. The sophomore, junior, and senior class WSGA representatives in the program are Judy Esterline, Carol Heber, and Barb Rupp. Betsy Pearson, WSGA secretary will also be on the committee.

Mike Kelly, president of next year's sophomore class performed one of his first duties by naming the male sophomore Customs Committee for next fall. Those appointed include John Wirth, Fred Powers, Kent Ferguson, Noll Evans, Edwin Rauch, Bill Lettinger, Sam Lippincott, Hal Fullman, "Dutch" Molendyke, Bill Rimel, Peter Dunn, Carlton Dingman, Gerald Gorman, "Woody" Polack, Tom Davis, Mike Kelly and Richard Gorton. Alternates are Sam Walker, Jerry Rosenberger, Jack Parker, and Otto Renner. This group elected Carlton Dingman to act as Head Soph Ruler. Dingman is a history ma-

Moyer Attends ISC Meeting at E-town

The Intercollegiate Student Chemists met Saturday, May 5, at Elizabethtown College as guests of the Phi Beta Chi science club. Calvin Moyer of Ursinus was one of the eleven students representing eight colleges in the morning session of papers on undergraduate research in the field of chemistry.

In the afternoon session, Dr. Lester Kieft from Bucknell University spoke on "Atomic Energy and You."

Ursinus was chosen to be the host for the 1963 meeting of the group.

Awards Highlight Waiters' Banquet

At a gala waiters' banquet held in Ursinus' Waldorf (the Animal Room) on May 2, the Assistant Head Waiter for next year was announced. Larry Coon, a sophomore psychology major from Norwich, N. Y., was elected by his fellow waiters to fill the coveted position. He will succeed Jeff Brown in the position. Brown moves into the position of Head Waiter, vacated by retiring Bob Fernandez.

After a delicious meal prepared by the kitchen staff, Headwaiter Bob Fernandez announced the winners of this year's Toni's (Oscar awards of the kitchen, which are named after the head cook.) Although several awards were hotly contested, Fernandez and Brown were finally able to come to a decision.

The Math Club members recently sent flowers to their adviser, and Dr. Dennis has reportedly received a slew of greeting cards of the get-well variety. Several students plan to visit him when the "no outside visitors" ban is lifted.

Several graduate student-teachers have been imported to carry on Dr. Dennis' courses. Lehigh's Berg has taken over the advanced calculus class, while a Mr. Young from Penn is teaching the modern algebra and analytic geometry sections. Dr. Dennis will return to Ursinus at the beginning of the fall term.

Hudnut & Students Plan Jazz Seminar

On Wednesday, May 9, at 7 p.m., Mr. Hudnut, with the assistance of several students, will present a program entitled, "What Is Jazz?" The program is sponsored by the Campus Affairs Commission of the YM-YWCA.

There will be three major divisions to the presentation: a summary of the history of jazz, an explanation of its elements, and an analysis of the current schools of jazz.

Hudnut's Helpers

Gene Andes will act as co-ordinator for the program. Andes and Gil Templeton will summarize the history of jazz, with Gil telling of its origins. Mark Gordon and Rich Gorton will explain the new schools of jazz. In addition to records, the various styles will be demonstrated through Hudnut's piano arrangements and Karl Garrett's guitar renditions.

Cub & Key Society Meets at Staigers

On Tuesday evening, May 1, the men of the Cub and Key Society met at the home of Dr. and Mrs. Roger Staiger. The guest of honor was Donald L. Helfferich, President of the College. The purpose of the meeting was to announce next year's officers, discuss general policy, and strengthen the acquaintances of graduating and new members.

The Members

Those graduating are Dick Mayes, Bob Hohn, Pete Wise, John Hope and Tom Moll. The six newly-admitted men are Charlie Haeussner, Murray Feldstein, Jim Ryan, Steve Wurster, John Piston and Jeff Brown.

Dick Mayes announced that Steve Wurster would succeed him in the office of president, and that Charlie Haeussner would replace retiring secretary-treasurer, Bob Hohn. The new officers were selected in advance by the graduating members.

In the Future

Several suggestions were presented in light of the intended policy advocating a more active role for the honorary society on campus. Also on the agenda is the selection of a man in the freshman class deserving of the

Tennismen Win Over LaSalle, Drop PMC Heartbreaker

UC 5—LaSalle 4

Ursinus' tennis team finally broke into the win column last Monday, downing an ineffective LaSalle squad 5-4. Morita, Bosniak, Hohn and Lehr won their singles matches and Morita and Hohn won at number one doubles to clinch the match.

PMC 5—UC 4

With the Drexel match postponed because of rain, the netmen rested up for their tilt against PMC Saturday, but still wound up on the short end of a 5-4 score. Bosniak drubbed his man as did Ed Myers and Bob Lehr.

Hohn and Lehr then romped at number two doubles. Unfortunately, the top and bottom men, Morita and Crough, lost their individual matches, both going to three sets. Number one and three doubles were also lost to the PMC cadets.

Lacrossers Swamp West Chesterettes

by Lore Hamilton

UC 10—W. Chester 7

The Ursinus lacrosse team turned on the steam to roll over arch rival West Chester State 10-7 in a neat field tussle on Thursday, May 3. UC whipped the visiting squad after posting a 9-3 half-time log.

In the first period of action, Lee Spahr led the striking blow with four beautiful shots at the West Chester pay dirt. Anne Sansenbach followed with another trio of goals to set the game on thin victory ice. Lynne Crosley, Enid Clinchard, and Lore Hamilton each charged through the stubborn West Chester defense to chalk up one goal apiece.

UC's Ran Wild

Posting a strong offensive unit and a sterling defensive group, the Ursinus coeds ran wild in the initial half. Heads-up defense talents of Judy Schults and Carol Boucher broke up several scoring threats. UC came back in fine form in the second half to scare the UC squad, as the State team pulled within three goals of tying the clash before the Ursinus Bears got back on their feet.

From midway in the final stanza until the final whistle, the Ursinus team posted a "do or die" effort with successful results. This lacrosse victory was only partial revenge to the WC team, however, since the gals from Chester county licked both the fall and winter versions of the Collegeville squads.

Baseballers Smash Haverford, F & M, Lose to E-towners

UC 17—F & M 4

Monday, April 30 —

Ursinus tatooed three pitiful F & M pitchers for 16 hits in a 17-4 conquest. UC flingers Chuck Schaal and Wheaties Parker scattered 7 singles as the Bears rolled to their sixth triumph against three defeats. F & M, in the opinion of many of the UC players, was the worst team the Bears had faced this season. It seemed that the only talent the Diplomats displayed was heaping verbal insults upon the Bears, including a blast at Coach Panoast.

The UC nine pushed across six tallies in the opening frame and coasted from there on in. The big guns offensively for the Bears were Bob Wighton, who blasted home 4 RBI's on three hits; first sacker Bill Scholl, who also contributed three hits and an RBI; and Bill Graver, who drove in three runs with a single hit.

F & M was very co-operative in easing the strain for the Siebmen as they committed six errors—three by second baseman Goodrich. Once again the Ursinus pitching was strong as Schaal hurled six fine innings, and then Parker finished off the final three frames.

E-town 3—UC 2

Wednesday, May 2 —

UC came up against one of the better clubs in the league in Elizabethtown and was stymied by three good pitchers, 3-2. The Bears could never build up a solid threat against the E-town hurlers who limited the Siebmen to four hits. It was a well-played contest which featured tight-to-the-vest baseball.

Elizabethtown displayed a well-balanced attack which touched the UC throwers, Curt Conn (6 innings) and Wheaties Parker (2 innings), for nine

Trackmen Trounce PMC & Dickinson, Upset by Hopkins

UC 72½—PMC 58½

The Bears' cindermen added another victory to what will be the greatest record in the history of the College as they defeated PMC 72½ to 58½ to end the Cadets' 13-meet winning streak in the process. The squad's record is now 3-2.

Tony Sermarini once again captured the javelin event and also annexed the half mile. Teaming with Pete Dunn, Fred Powers and Tom Walters, Sermarini also played an important role in the mile relay squad's new meet record of 3:34.0. Dunn also established a new meet record in the 440 as he was clocked in :52.1 with Walters third.

Bill Pratt returned from a long layoff and easily captured the mile run with Joe Rhile in third place. In the two mile run, Rhile raced to a second place finish and John Swinton added third place to the Bears' scoring column. Ted Harshaw placed for the first time as he grabbed second place behind Sermarini in the half mile. In the sprints, Mike Kelly got a third in the century and Stu Glasby showed in the 220 yard dash.

Captain Pete Wise returned to the winners' circle after the 220 low hurdles and was just edged for first in the highs. John Hunsicker placed second in the lows and third in the highs.

Broad Jump Sweep

The real battle took place in the field events, and a Bears sweep in the broad jump by Dick Woodruff, Bob Barandon and Bob Gladstone clinched the victory. Woodruff broke his own meet record with a leap of 21' 9½" to win the event. Ron Ritz vaulted 11'3" to gain a tie for first in the pole vault while

the PRESSBOX

by Craig Garner
Sports Editor

Nine-thirty on a Saturday morning after a night of liquid enjoyment is not exactly conducive to a spectacular, or even a good, track meet. Yet, the IF extravaganza could not be classified as a bumbling exhibition, even though there was a smattering of bloodshot eyes and a couple of runners weaving and bobbing toward the finish line. It did not feature spine-tingling performances, but it was an interesting event spiced with comedy and a spirit of competitiveness.

This IF "duel" is a definite asset to UC activities, for it allows anyone, who is energetic enough to trot down to the track at this ungodly hour, a chance to display his individual wares. The only group which really seemed concerned about the final outcome was the Day Students, who spent more time galloping up to the pressbox to check the score than they did kicking up the cinders. Since the Day Students had the best organization, and probably the soberest contestants, they emerged victorious with an eight point margin over ZX and the Independents.

The day was marked by respectable performances from two Day Students, Bruce Marsland and Fred Struthers, who propelled their team to the triumph with double wins. Marsland swept the mile and 880, while Struthers captured the 440 and the low hurdles. The tightest competition came in the high jump where Evie Evans of ZX edged Bill Cooper of the Independents with a leap of 5'8". No doubt, this jump would probably have gained a first place in a few of the regular season track meets. Al Hackanson set a new IF record when he heaved the 12-pound shot 50'5", and George Cawman outran the field in the 100 yard dash with a time of 10:6.

The diminutive crowd was treated to a couple of knee-slapping displays in the mile and the high jump. One runner in the mile dashed out to a bulging lead and then walked the rest of the way. A couple of tentative IF stars just about made it to the bar in the high jump, let alone clearing the obstacle. It seems unjust that the javelin and the discus were not included in the events, but as saner heads prevailed, it probably was a safety measure for the benefit of the fans and the participants alike. What was even more amazing was the fact that there was no fatman's relay; it is really hard to believe that the UC campus is devoid of men with abundant girths.

UC & West Chester Swap Wins to Open Softball Season

W. Chester 9—UC 7

The women of West Chester defeated the UC softballers by the score of 9-7 to cop their first victory of the season. The West Chester team dished out only seven hits to the visitors in their victory effort. Ursinus put up a sustained stand in the sixth inning as they posted six runs, but it was a losing battle. Taking the loss on the hill was Carol Taney, giving up ten hits.

Ursinus 14—WC 12

Ursinus turned the tables in the second softball clash of the season to defeat West Chester 14-12. Georgia Ferrell led the parade at the bat as she hammered out a home run with two aboard in the big fifth inning. June Ritting also pounded out a homer in the successful diamond encounter.

Ursinus collected nineteen hits in the clash to topple the WC machine. Extra bases were batted out by Georgia Ferrell, June Ritting, Judy Smiley, Gloria Burgoon, Judy Stitley and Carol Taney.

The Big Innings

Ursinus started the rally in the fourth inning as the squad connected with the bases for five runs. The fifth inning read almost identically, as the UC women chalked up another five to put the ribbon on the victory parcel. Carol Taney emerged as the winning pitcher as the entire Ursinus team pulled together for the win.

The Bears did it the hard way, as they came from seven runs down in the third after a bad series of goofs before they settled down to the work at hand. The victory put the squad on an even keel with the West Chester bat club.

Powers tied for third in the same event. Dave Bonner leaped 5' 8" to tie for first in the high jump and Barandon placed third.

PMC's Tom Nolan put the shot 50 feet 6 inches to set a new Patterson Field record while his teammate Dan White placed second with a toss of 48 feet 10 inches. Nolan is the defending MAC champion and record-holder while White is the former champ and record-holder. Bob Carney placed third at 45 feet 11½ inches. Hal Fullman became UC's third shot putter to break the forty-foot barrier this year as he had a put of 40 feet 11 inches. Carney tossed the discus 139 feet 11½ inches to cop the event and remain undefeated in the discus.

Triangular Meet

The Bears journeyed to Baltimore Saturday, were upset by Johns Hopkins, and then defeated Dickinson in a triangular meet. The track squad's record now stands at 4 and 3.

The big events were the broad jump, shot put, and quarter, but the points garnered in these events could not offset the lack of points in the distance events. Dick Woodruff set a new meet record of 21 feet 5 inches in the broad jump, while Mike Kelly and Bob Gladstone placed third and fourth respectively. Kelly also gained a second in the one hundred yard dash with Dick Allebach fourth. Frosh Stu Glasby finished third in the 220.

That Relay Team

Pete Dunn added another victory in the 440 and anchored the mile relay team to a new meet record of 3:35.0 as he came from 20 yards back to win going away. Fred Powers and Tom Walter placed third and fourth in the quarter and joined with Dunn and captain Pete Wise to form the relay team. Wise also notched up a fourth in the highs, a third in the lows, and a tie for fourth in the high jump.

Bob Carney set a new meet record of 46' 5" in the shot put and Denny Wilson was second with a put of 43'11". Carney was defeated in the discus for the first time, placing second with Wilson in fourth. Tony Sermarini also eclipsed a record as he hurled the javelin 182 feet for a new mark. He also added a fourth in the 880 yard run. Ron Ritz cleared 10'9" to tie for first in the pole vault; Powers gained a third in the event.

safeties. Their initial pitcher, who must remain anonymous for lack of a box score, not only hurled a fine game but belted a decisive home run. E-town's most consistent pitcher, Diener, was brought on in the top of the ninth to preserve the victory, and he answered the call nobly by throwing three strikes past captain Doug Harper. The meager UC attack was spearheaded by Bill Degenhardt's second round-tripper of the season.

UC 7—Haverford 1

Saturday, May 5 —

Ursinus collected their seventh victory out of eleven games by downing hapless Haverford, 7-1. The Bears banged out eleven hits off two Ford pitchers, and Butch Hoffman pitched a splendid game, limiting the opposition to three hits and a cheap run. UC tallied five times in the first four innings to assure themselves of the victory early. The big news of the game was that Bears' slugger Barrie Williamson failed to suit up, and the rumor has it that he is through for the '62 season.

Ursinus' made-over lineup came through in fine fashion. Bill Graver stepped into Williamson's number four batting position and cracked out two hits for two RBIs in his initial two chances. Denny Beacher moved into play the keystone sack and he chipped in with two timely singles; Don Henry and Larry Koch also hit safely twice.

The most encouraging showing was the way freshman Hoffman hurled nine strong innings. The Haverford run came across when Harshaw's shot to left took a bad hop and rolled past Bob Wighton. Hoffman fanned eleven to go along with the effective pitching.

Alpha Phi Omega

APO would like to congratulate the newly elected officers for the 1962-63 school year. They are: President, Greg Kern; Vice President, Harry Serio; Pledge-master, Larry Coon; Treasurer, Lin McMullin; Recording Secretary, Sam Stayer; Cor. Sec., Craig Heller; Alumni Sec., Paul Kleinsmith; Historian, Jesse Moore; Sergeant-at-arms, Geo. Goldacker. In other elections last week, Larry Coon was voted assistant head waiter; Charlie Hentz was voted President and Sam Stayer, Treasurer of the PSEA, and in the State PSEA Ed Myers was elected Vice-President. Good luck to all these men in their new positions.

Recently nine brothers of APO traveled to the Norristown Visiting Nurse Association to perform various jobs. Although it looked like they were painting each other, they did manage to cover a fence, porch, and the inside of a barn. Mrs. Rice, a volunteer member of the association, prepared one of her delicious lunches for the tired workers. Thank you, Mrs. Rice!
